--

The Bi-State Literacy Council supports and encourages the development of supportive services for people with literacy needs. The Bi-State Literacy Council provides funding within the following considerations:

- *Applications are restricted to non-profit programs within Henry, Mercer and Rock Island Counties in Illinois, and Clinton, Muscatine and Scott counties in Iowa.*
- *Funding cycles end March 31 and October 31. Requests will be responded to within 30 days of the close of the each cycle.*
- *Requests may range from \$100 to \$500. Total amount awarded per cycle is dependent upon availability of funds and quality of requests.*
- *Selection criteria includes evidence of need, anticipated benefits and extent of impact. Greater consideration will be given to organizations not funded during the previous two years. The Council will seek a balance of funding between Illinois and Iowa. School requests should not supplant their current curricular funding.*
